PLACEMENT BROCHURE - 2015

Evolving Achievers

Talent perhaps comes born, but the ultimate winner certainly arrives by a surer road. Modern-day social and organisational systems are proof of this. Today, the finest leaders have been products of organised learning in the art and science of excellence and result-orientation. Managing responsibility, rising above challenges, lead-thinking and importantly, being a trustworthy winner requires a well-structured and accurately-guided pathway. Our institutions, through continuous development efforts, have been reliable gateways to career-highways for aspiring students. For corporate organisations, our breeding grounds of quality skills are where ready and competent management-leaders of the future are made.

VISION

To be at the pinnacle of management education by equipping students with the necessary skill sets to excel in the industry and by grooming them to adapt to the challenges of corporate India.

MISSION

To ensure achievement of the overall education goals through effective, fair and efficient administration of recruitment, career enhancement and benefit programs.

To foster excellence in our teaching, research, scholarship and services; to develop a cadre of students with the attitude, leadership skills and habit of lifelong learning enabling them to be effective members of corporate India.

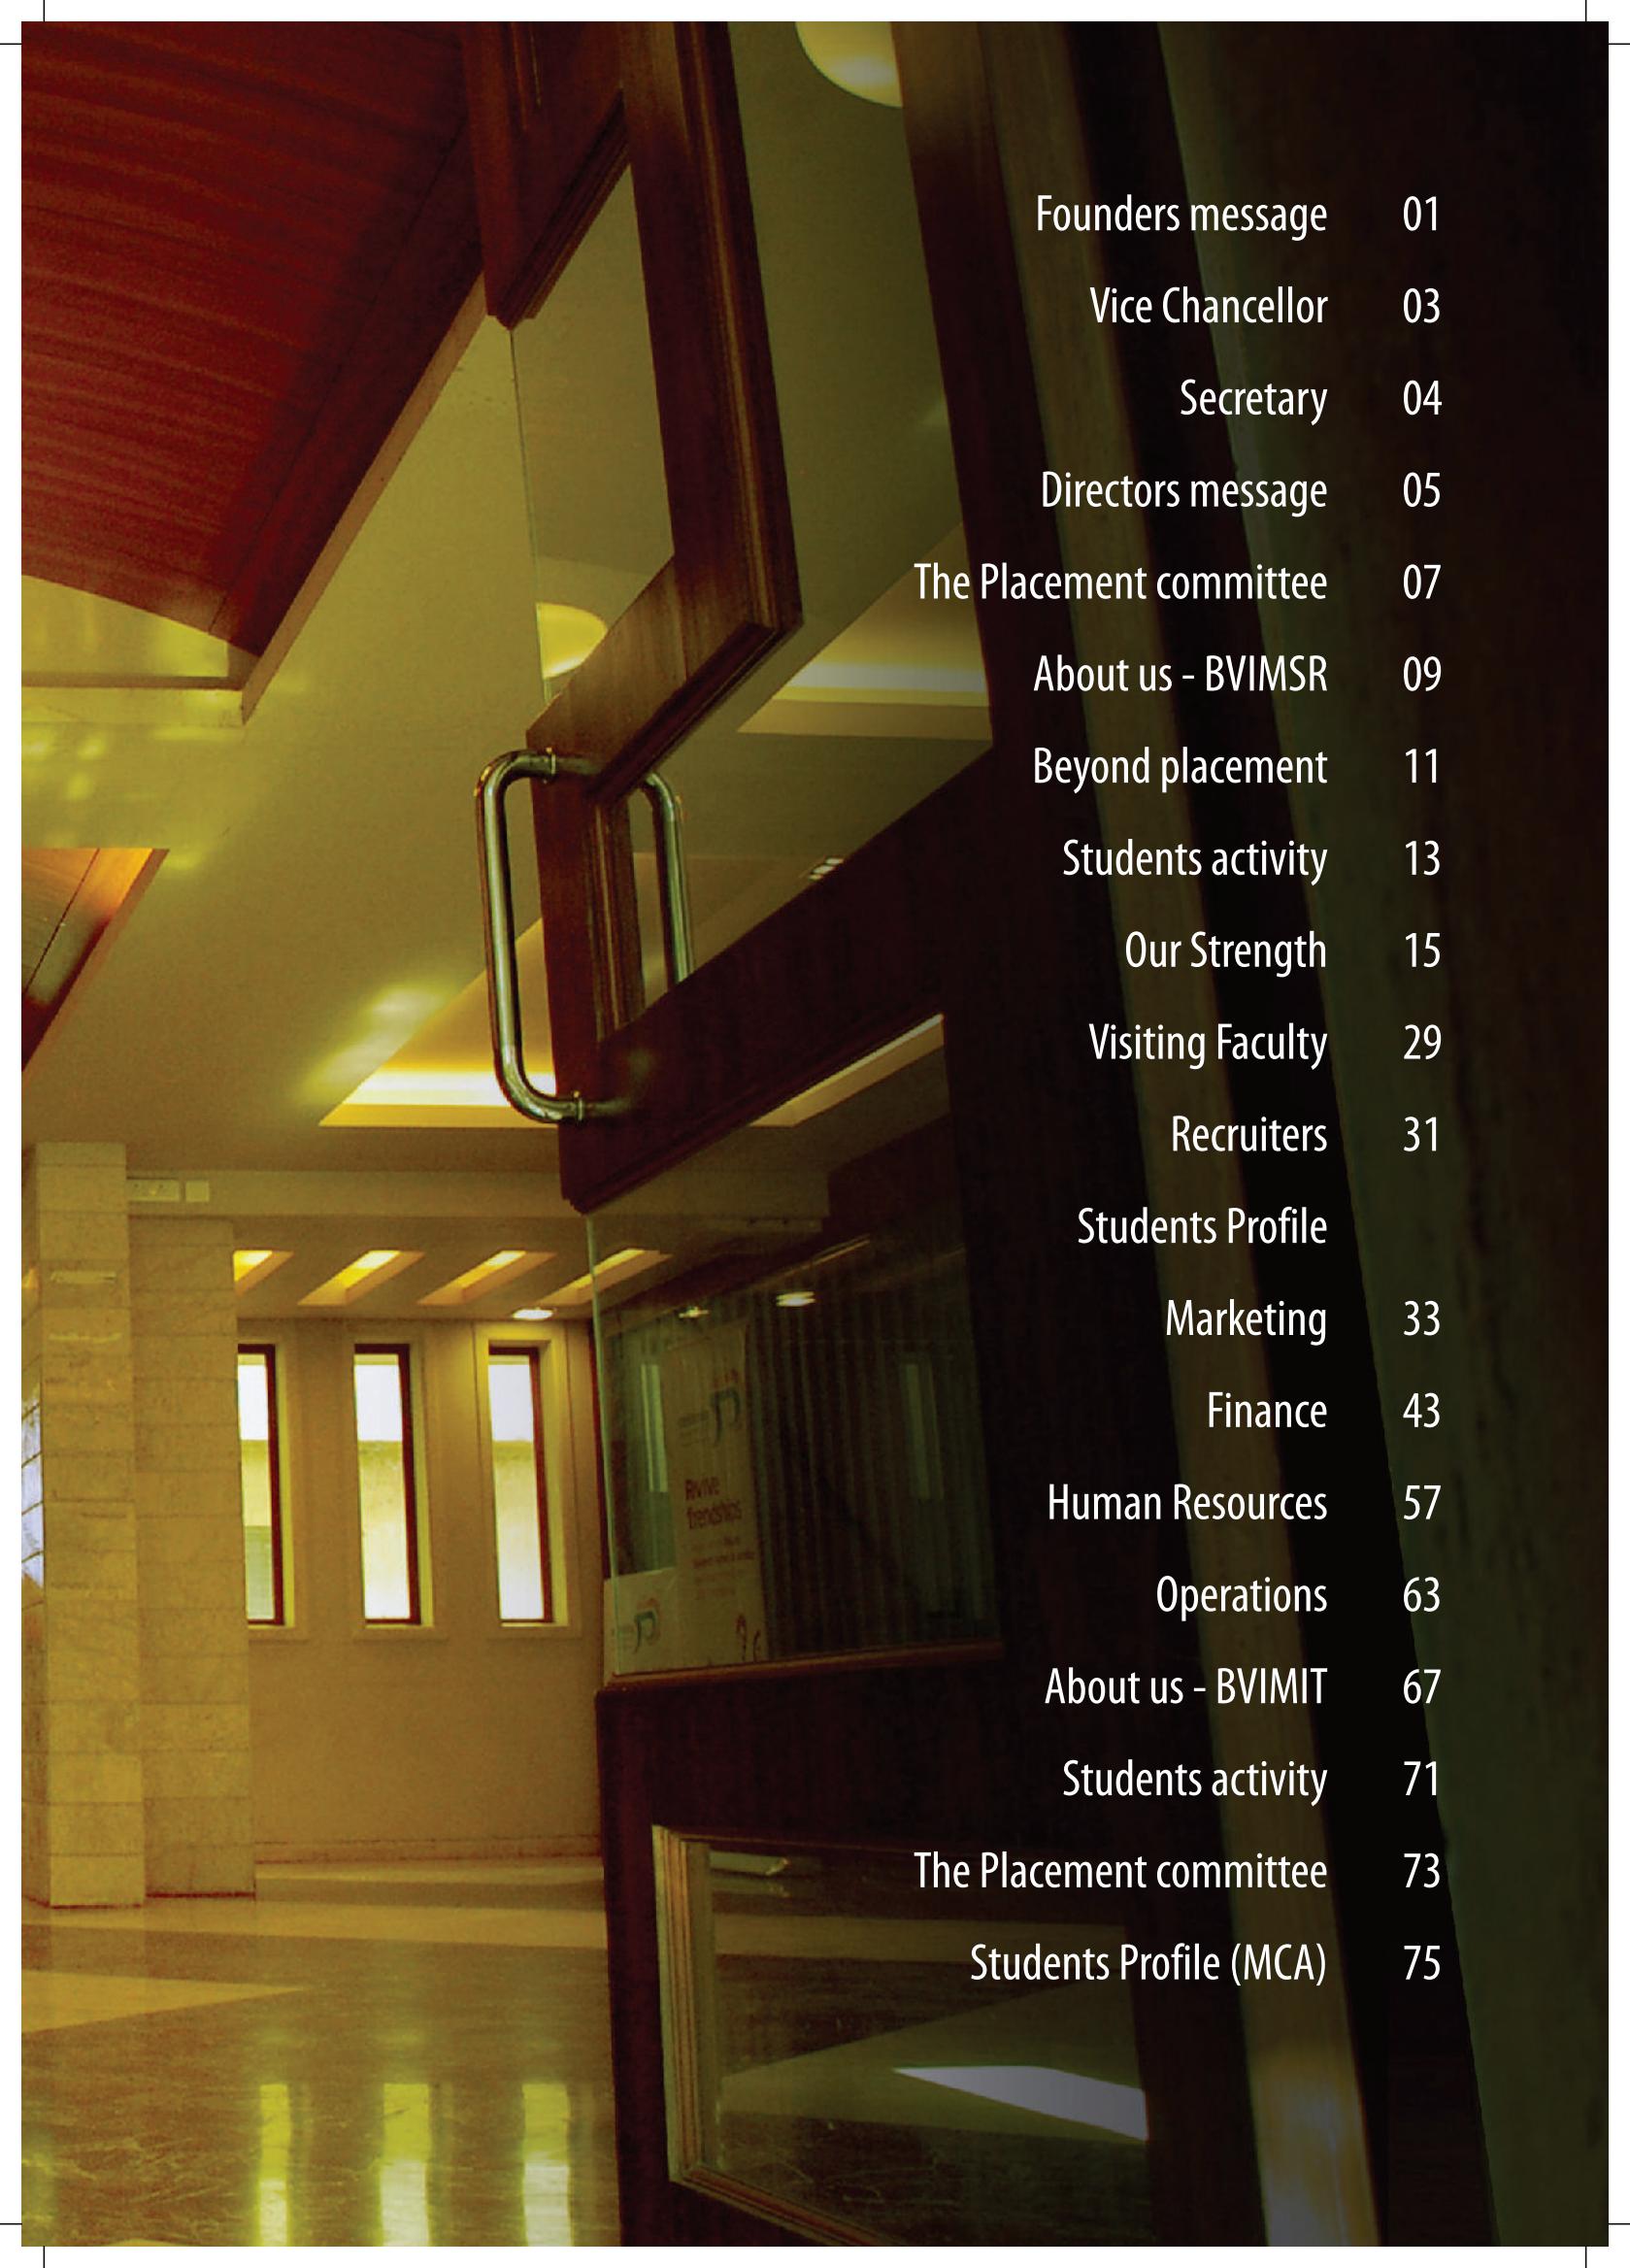

To create an academic environment where the highest standards of scholarship and professional practices are observed and where responsibilities of students are conscientiously met.

To deliver quality management programs which are consistent with the demands of corporate India and to enhance the core competencies of an increasing number of budding professionals.

Dr. Patangrao Kadam

Founder - Bharati Vidyapeeth | Chancellor - Bharati Vidyapeeth Deemed University

From the Founder's desk

I am indeed happy to welcome you to Bharati Vidyapeeth's Institute of Management Studies & Research, Navi Mumbai, which has a large pool of new executive talent waiting to step into the Corporate World.

I established Bharati Vidyapeeth in 1964 with a realization that all-round social transformation can be brought about through the spread of education. During the last 50 years, we have established more than 180 educational units of various kinds, right from Pre-Primary School to a full-fledged University, in different parts of India and even in the capital city of New Delhi. Bharati Vidyapeeth is an institution with its distinct ideology, which can be briefly stated thus. Our objective is: "To make quality education accessible to the students coming from different regions and different strata of the Society and to provide the same to them as per their individual choices and inclination at affordable prices." Our constant endeavor is to create ambience in the campuses propitious for learning by providing continuously updated courses and with the help of enriched infrastructural facilities such as well equipped laboratories, rich library and well maintained playground, hostels. It is a gratifying experience for me to know that thousands of students who have passed out from the portals of our institutions have established themselves very well in different walks of life.

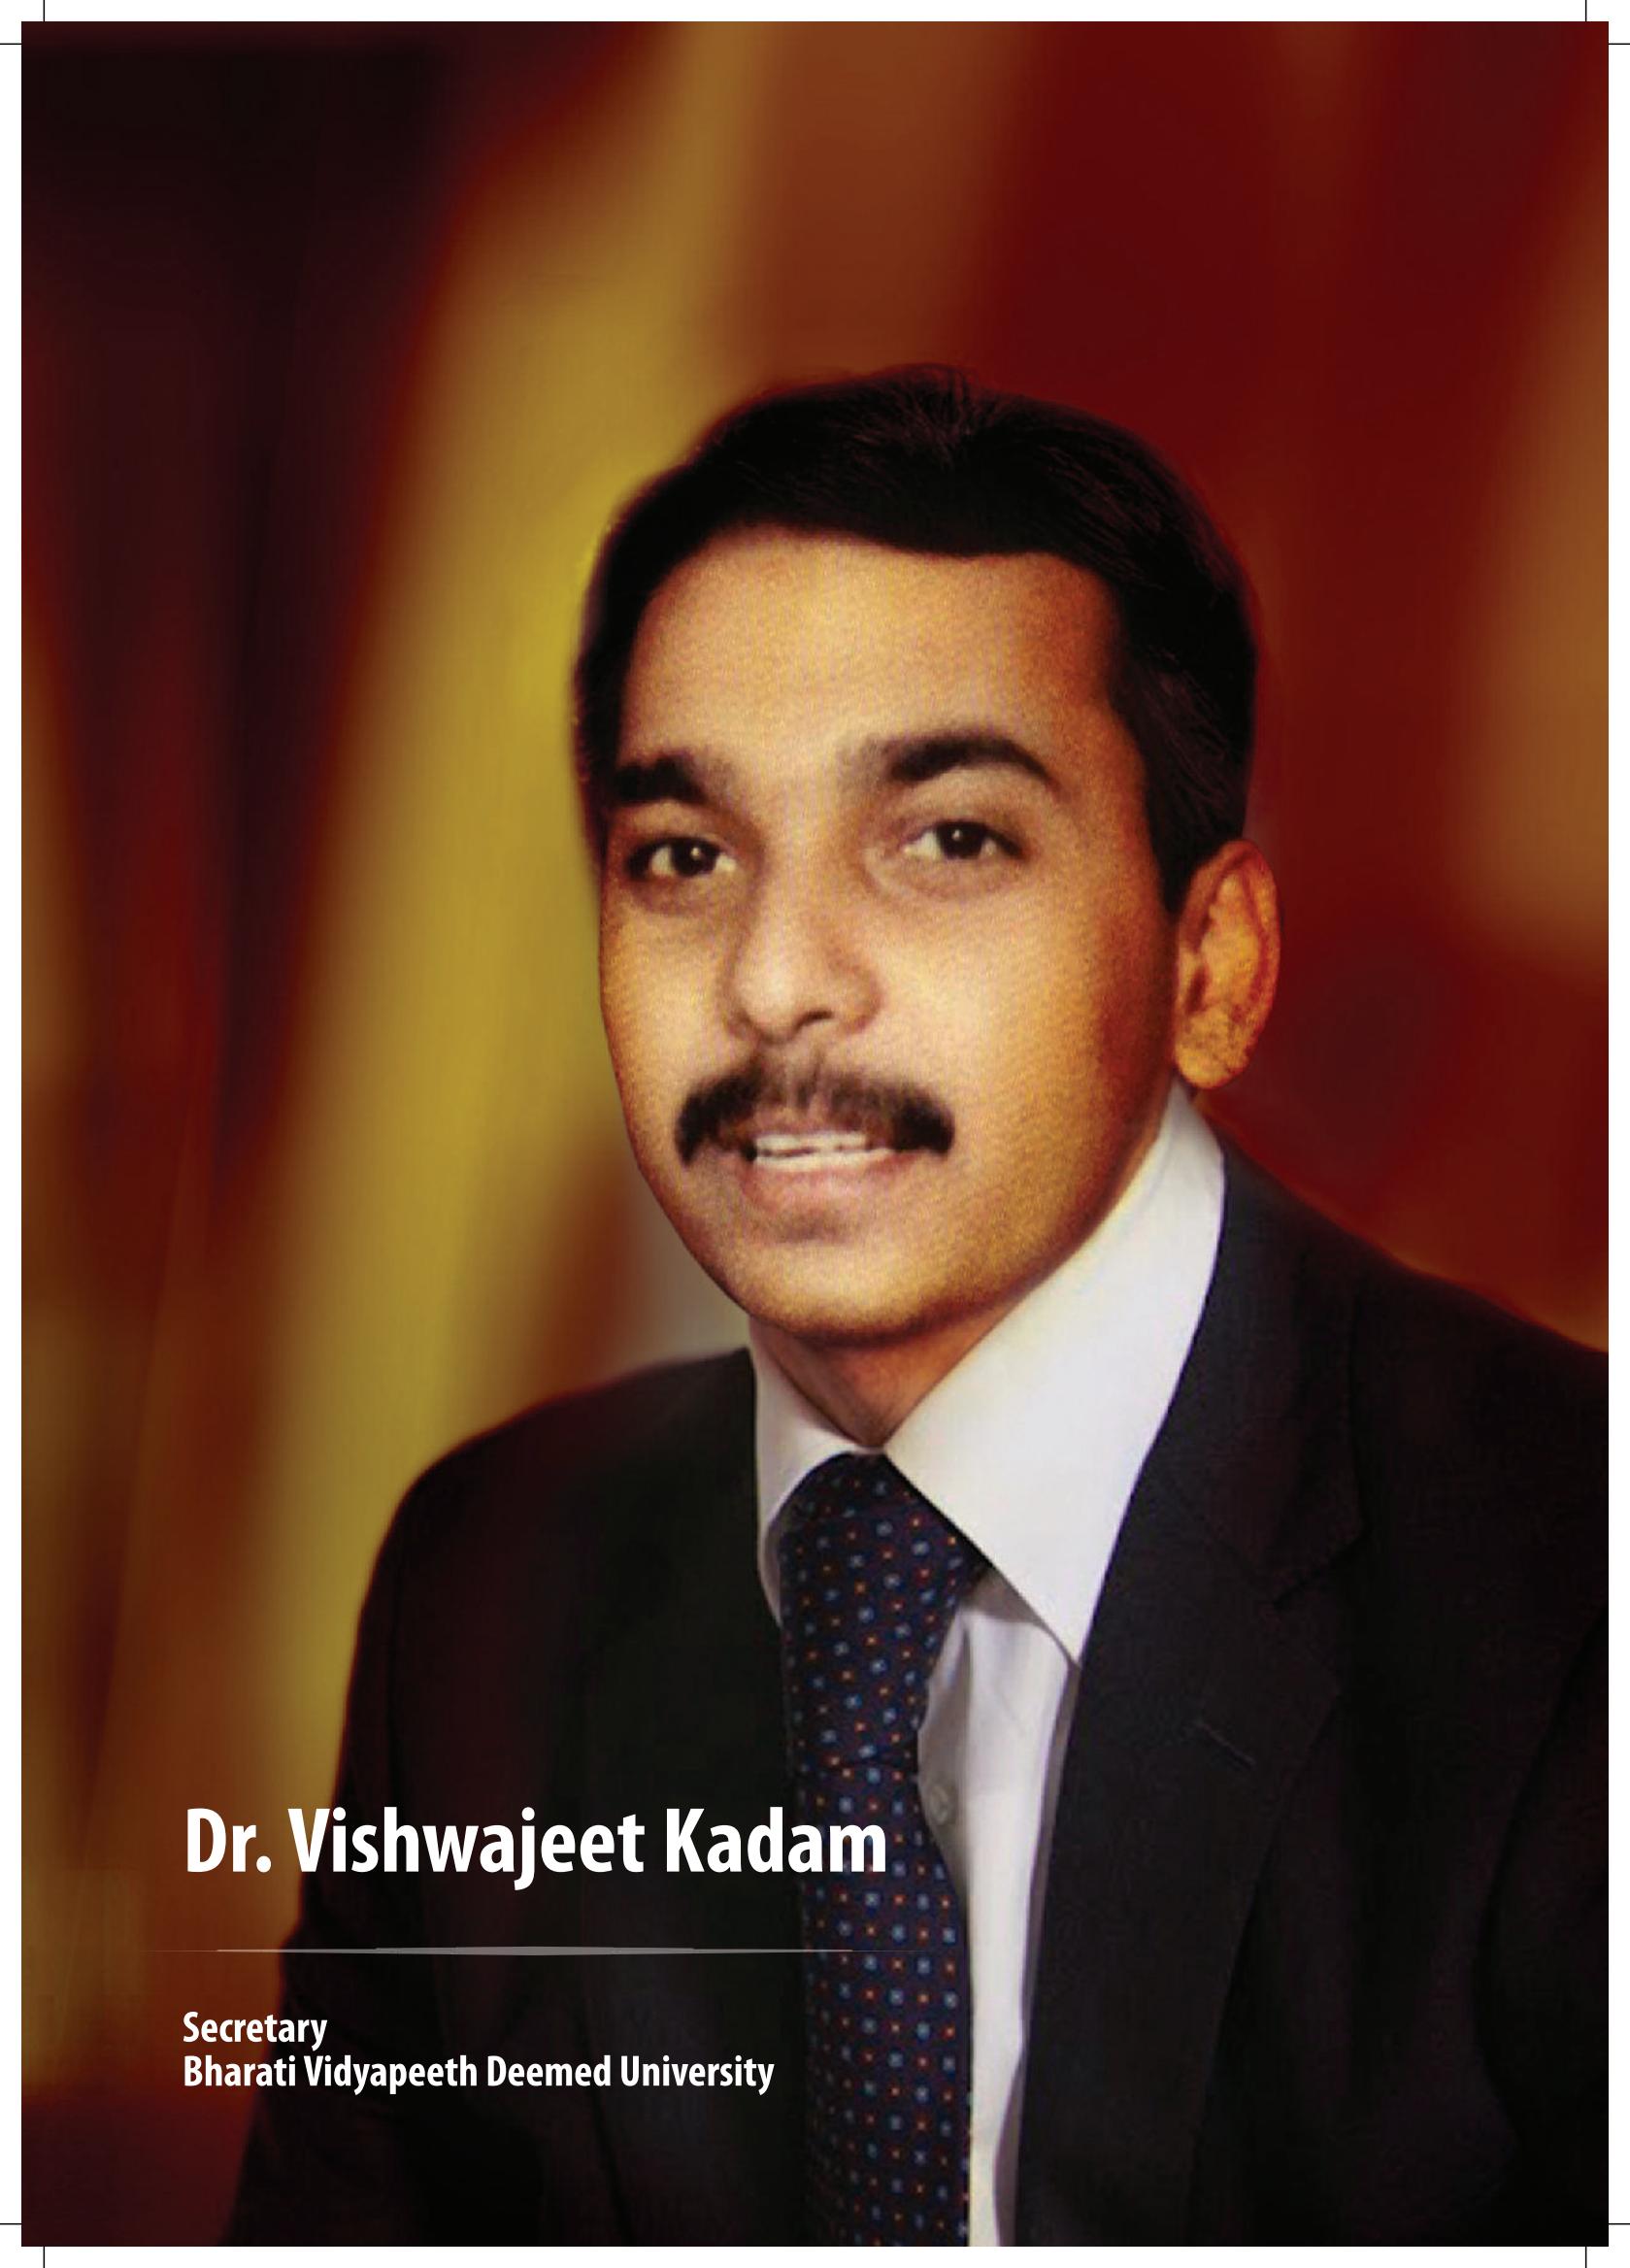

In April 1996, the Government of India conferred the status of University to a cluster of our institutions in accordance with the provisions in the University Grants Commission Act, 1956. Since the inception of this University, our endeavor has been to develop it as a lively and throbbing center of learning and research. I am very happy to say that, within the short span of 18 years, this University has established its academic reputation not only across the country but also overseas. This is evident from the fact that we get students from different parts of India and also from number of countries across the globe. I have no doubt that we will be able to achieve these objectives in co-operation with our faculties of various institutions which include experts, experienced and caring teachers.

I wish your association with Bharati Vidyapeeth would be mutually beneficial one, which can be leveraged to yield promising results for both of us. We are confident you will find here, the perfect profile to complement your requirements.

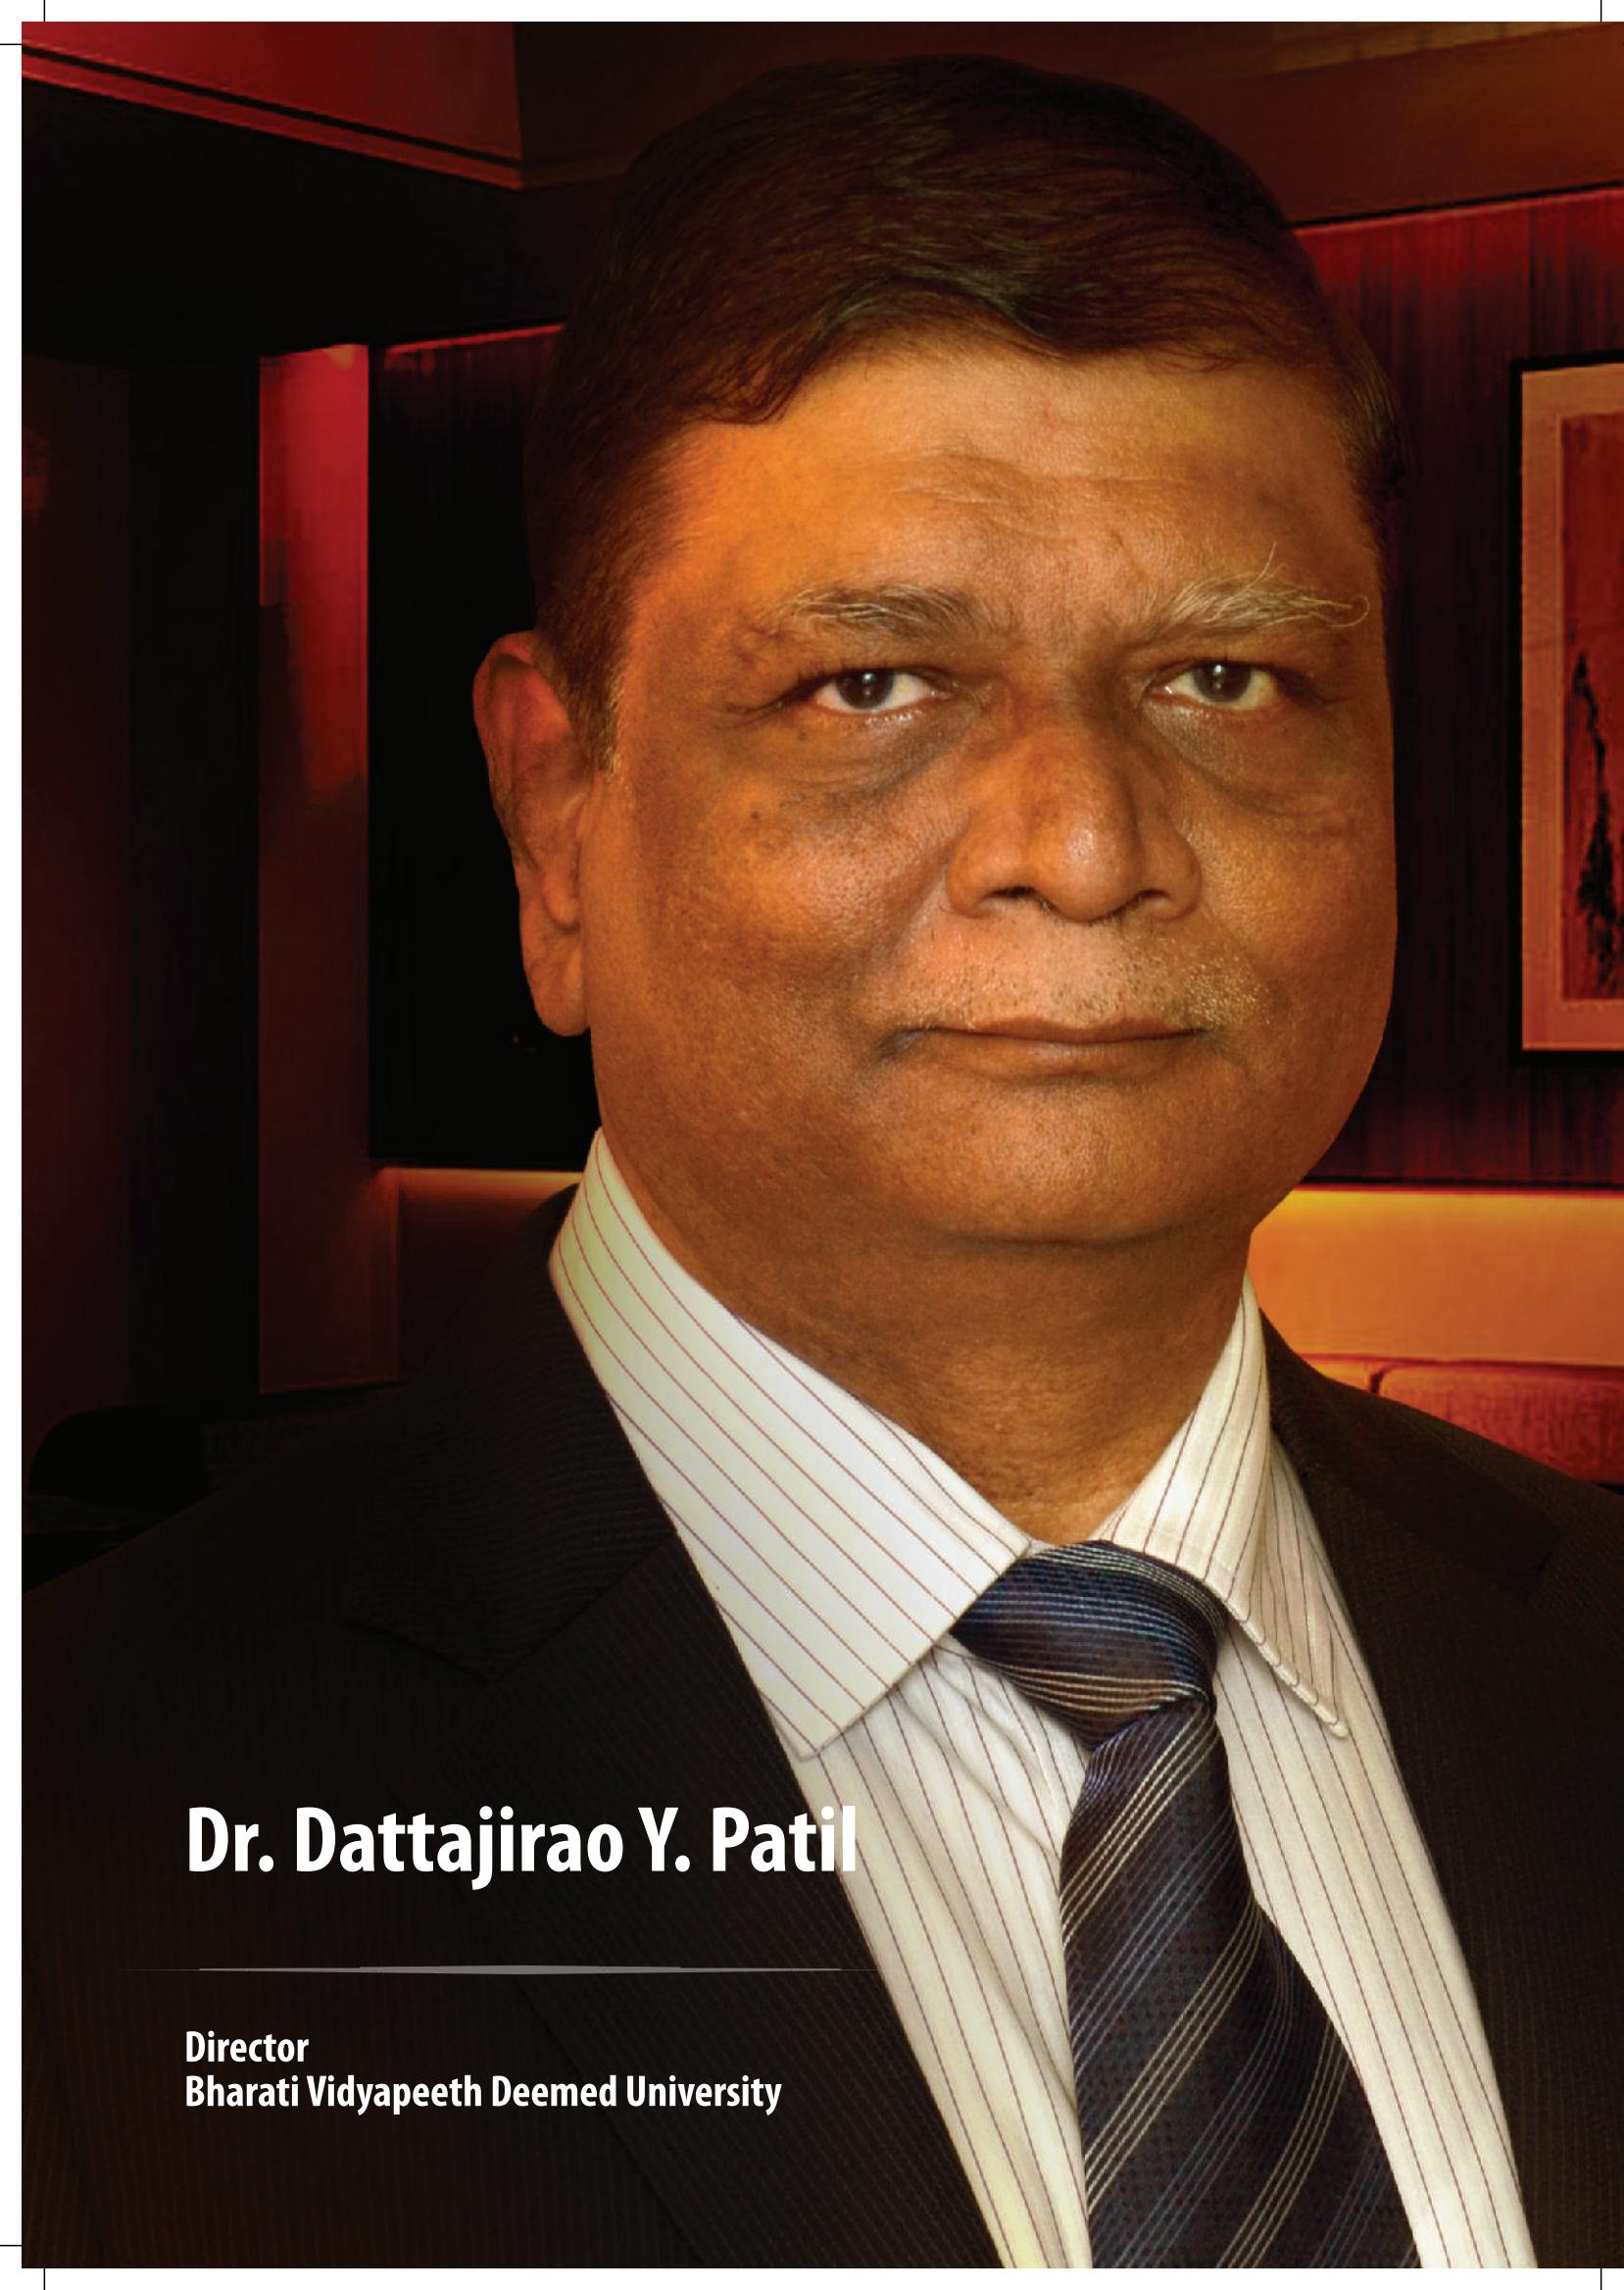

Dr. Shivajirao Kadam

**Vice Chancellor
Bharati Vidyapeeth Deemed University**

A professional portrait of Dr. Vishwajeet Kadam. He is a middle-aged man with dark hair and a mustache, wearing a dark suit, white shirt, and patterned tie. The background is a warm, blurred gradient of yellow and orange.

Dr. Vishwajeet Kadam

Secretary
Bharati Vidyapeeth Deemed University

Dr. Dattajirao Y. Patil

**Director
Bharati Vidyapeeth Deemed University**

From the Director's desk

I am pleased to present the Placement Brochure of Bharati Vidyapeeth's Institute of Management Studies & Research (BVIMSR) and Institute of Management & Information Technology (BVIMIT), Navi Mumbai, for the batch passing out in 2015.

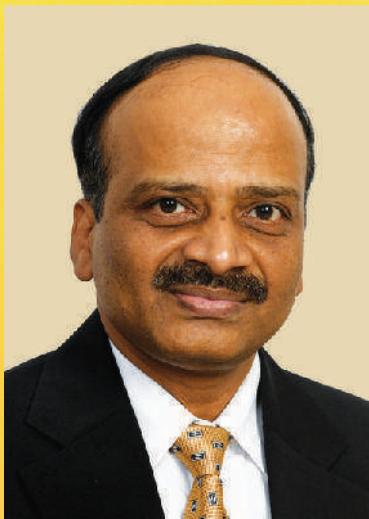

We believe in making champions through hard work and sincerity. The team of our 45 faculty members has left no stone unturned to bring out the winners and leaders of tomorrow, who have groomed our students in various facets of business education.

The Master of Management Studies (MMS) and Master of Computer Applications (MCA) are courses affiliated to University of Mumbai while our Post Graduate Diploma in Business Management (PGDBM) is an autonomous programme. All the three programmes are approved by AICTE and enable the students to comprehend the concepts and functional aspects of Management and Technology.

Apart from the regular subjects which are a part of the basic course structure, our students receive many a value-added inputs like Financial Modeling using Excel and a specially designed module to hone their leadership and teamwork skills. Through all these efforts we make a complete management graduate out of each student. Apart from the knowledge and skills, the ever changing scenario of the business world demands every management graduate to possess an appropriate attitude to succeed in this competitive world. We at BVIMSR & BVIMIT make special effort to develop the soft skills of students and inculcate the right attitude in them. I am confident that our students will prove that they are coming from an Institute which knows the requirements of the corporate world.

Welcome to our campus. I feel privileged to invite you to participate in the placement process this year. I am confident that your organizations will benefit immensely from your choice of management graduates at Bharati Vidyapeeth, Navi Mumbai.

The Placement Committee

Prof. Suresh Patil

Head - Industry Interface.

Dear Corporate Leader,

I take this opportunity to present through this brochure, the student profiles of our MMS, PGDBM and MCA programmes for the batch passing out in 2015. A very special care has been taken in equipping these young aspirants with knowledge and skills that are expected out of them by the corporate bodies. I am very confident that these students will measure up to your demanding expectations as, we worked earnestly in improving the content and quality of our program delivery. You will find them well equipped and well groomed to take up any challenge in the corporate sector and put their acquired skills to mutual benefit of the organization and their own self development.

Some of you have been involved; sharing our concerns and commitment by training our students and employing them. It is with great pleasure that we place on record our appreciation with thanks for your support and that of your esteemed organization.

I, along with the rest of my BVIMSR and BVIMIT family, take this opportunity to invite your esteemed organization to be a part of the Campus Recruitment and Corporate Relations program 2014-15 at Bharati Vidyapeeth, Navi Mumbai, and extend our commitment to engage in a mutually enriching long term relationship with your organization.

With kind regards,

Prof. Suresh Patil
Head - Industry Interface

PLACEMENT COMMITTEE

Prof. Anil Kumar Deshmukh

Asst. Prof. Mukta Khapre

CO-ORDINATORS

Sakshi Tiwari | Aditya Mishra
Pooja Mohan | Ameya Kadam

**Excellence is a product of managing
focuses, tuning skills and sharpening
execution to the last detail.**

BVIMSR - Creating Business Leaders

The world today has evolved into a more systematic process where everything is planned and executed with precision. The same has been extended to the businesses making them successful and effective in all spheres and fields.

Bharati Vidyapeeth recognized this opportunity to train the young aspirants to revolutionise the business sector and established Bharati Vidyapeeth Institute of Management Studies and Research (BVIMSR).

BVIMSR offers versatile management courses tailor-made for the industry. BVIMSR offers a two year MMS program with an intake of 120 students. Post Graduate Diploma in Business Management is also offered in BVIMSR in Pharma (PGDBM) and Logistics & Supply Chain Management (PGDLSCM).

Our dedicated faculty endeavours to make learning a wonderful experience and inculcate in the students the innovative techniques needed to tackle the practical problems faced in the industry. BVIMSR conducts seminars and guest lectures enabling the students to understand the latest trends in the management.

In addition, all the members of the academic team including the Director have students who they mentor. This all-round coordination helps every aspirant to flourish and come out with flying colours.

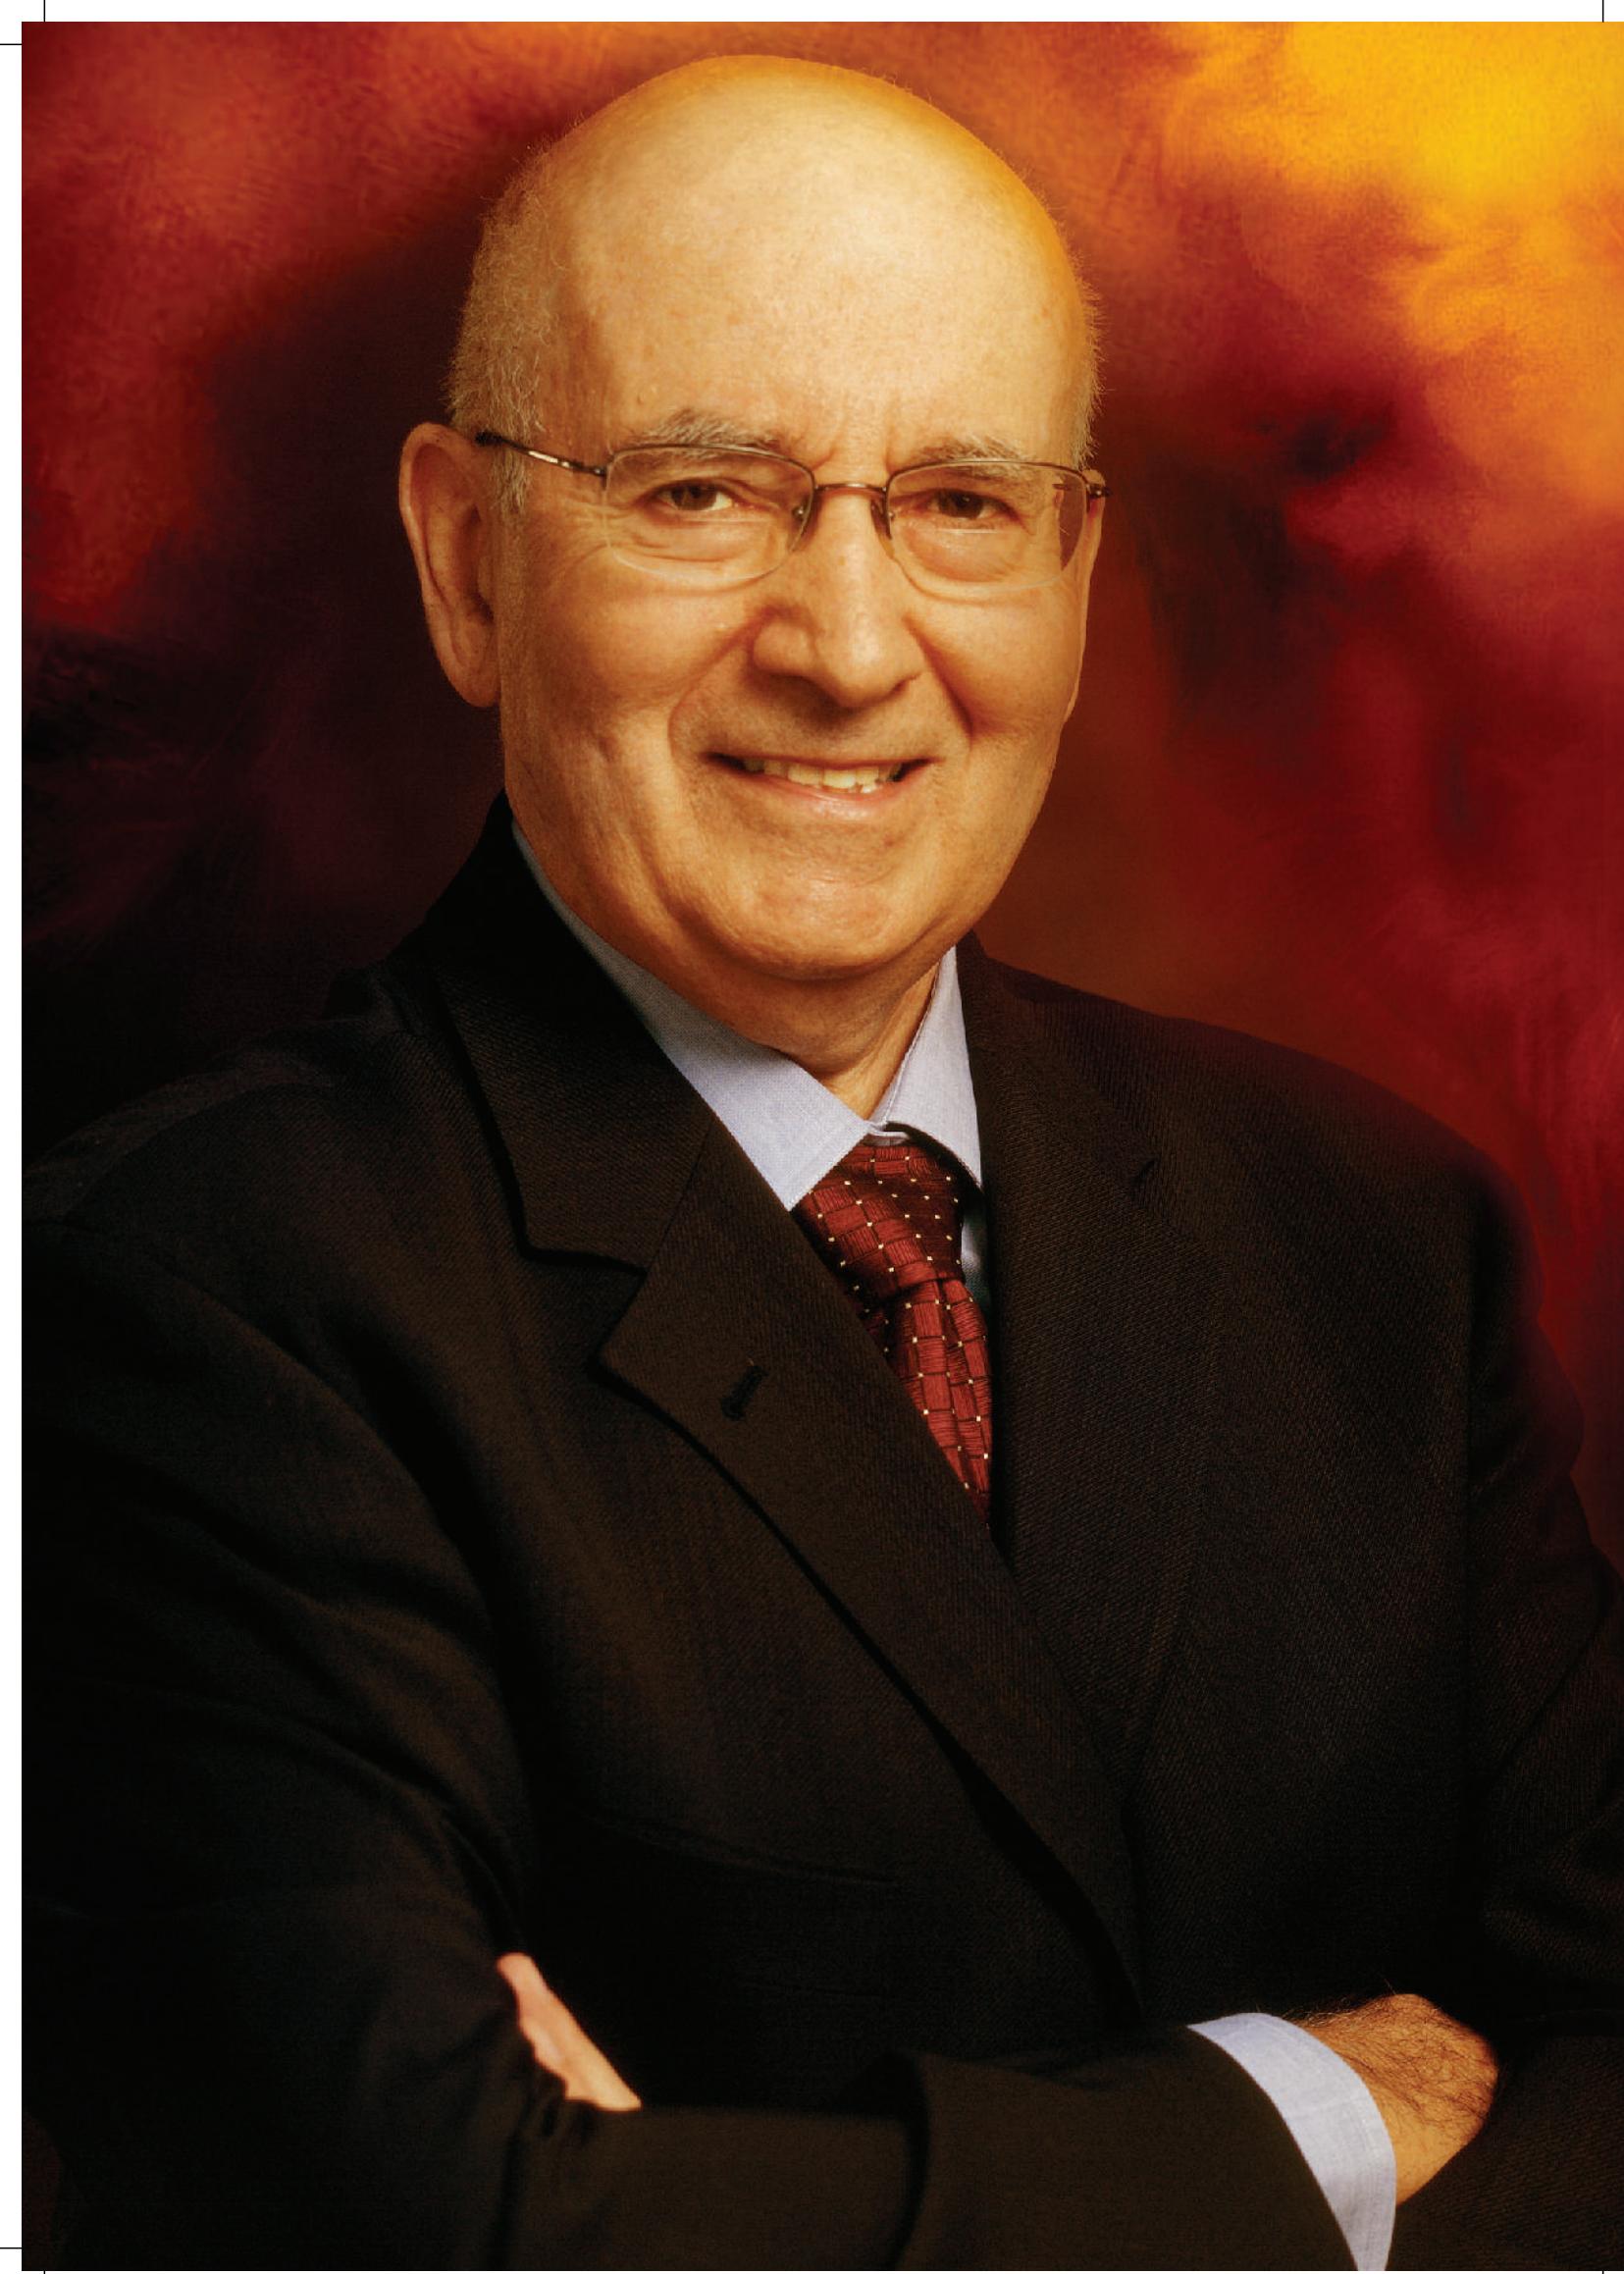

Infrastructural Preparedness

Spread over an area of four acres, Bharati Vidyapeeth Institute of Management Studies and Research (BVIMSR) is nestled in the peaceful Belapur Hills. One of the best Business Schools of the country, BVIMSR campus offers just the right environment for the students to prosper. All the classrooms as well as the conference hall is air-conditioned, Wi-Fi enabled and equipped with audio-visual facilities for alleviated learning experience.

A library is the focal point of any educational institution. So is the BVIMSR library which stocks nearly 8400 books covering almost all the fields and more than 45 Indian and International subscribed business journals and magazines. With round the clock access to the Wi-Fi connection, state of the art servers, computers and other hardware, the campus offers flexibility to the learning experience of the students. In addition, the students are provided with laptops which enable them to stay connected on campus.

The canteen is a spacious, trendy and airy place which offers hygienic, lip-smacking Indian/Continental food to the students. Comfortable and well equipped hostels attached to the BVIMSR campus provides the students with an added opportunity to interact not only with each other but with faculty outside the class room. It is one of the key contributors to an intensive, rigorous and an effective learning experience.

Exposure to the world's best

The World of Marketing and Management is incomplete without the word 'Kotler'. The B-school and Management fraternity piously follows the Bible of Marketing, Marketing Management and worships the God who authored it. The 83 year old Father of Modern Marketing, Dr. Philip Kotler was in Mumbai to conduct a workshop for Bharati Vidyapeeth & Association of Indian Management Schools (AIMS).

Dr Philip Kotler, the celebrated Professor of International Marketing at the Northwestern University, Kellogg Graduate School of Management, addressed the management students at 'Marketing 3.0'. The workshop was attended by over 2000 students and delegates of the institutes from and around Mumbai.

Dr Kotler mesmerized the audience with his understanding of the change in the Marketing scenario. In his address he led emphasis on imparting marketing skills to the students through projects, which should be conducted in groups. This is the base of learning marketing as business is about team work.

Dr Kotler trained as an economist at the University of Chicago,

under the legendary Milton Friedman and earned a PhD at MIT under the guidance of Nobel Prize-winning economist, Paul Samuelson, spoke about the critical mistakes companies make while planning their social media marketing strategies. The companies either do nothing about it, or else completely rely on the social media marketing. Talking about amalgamating the traditional & digital marketing beautifully, Dr Kotler said, "The old media of marketing are still alive & kicking quite well. We need to blend these two judiciously today to get the best result."

He also shed some light on the importance of the taking care and focusing on the bottom of the pyramid. A study reveals that businesses that were 'firms of endearment' prospered. Brands such as Google, Starbucks, Apple and Harley Davidson have managed to do great only because they believed in creating a fan-base rather than only creating a consumer base.

Dr Kotler left everyone amazed by his understanding on changing perceptions of Indian Middle Class and its impact on Global Economy. And on the final note, Dr. Kotler who coined the 4Ps of marketing, added a fifth P to it, 'Purpose'.

Students Activity

ALUMNI MEET (22nd February)

Bharati Vidyapeeth takes pride and celebrates each and every student who passes out from the institute. We are a big family and once you are a part of it, you are always one of us. This bond is so strong that once in a year everyone takes out time from their busy schedule to meet up at the institute. The family meets the new members and shares with them its experience about life and industry.

This year around 318 alumni visited the campus along with their family members. It was special as two of our past directors, Mr. Rao and Mr. Jacob graced the meet with their presence. During the alumni meet, we also celebrated 30th Anniversary of BVIMSR by cutting a 30 feet cake by the dignitaries. It was completely a grand gala with music, dance, thrill and enjoyment followed by dinner.

UDAAN (10th April)

The farewell party in BVIMSR is not just a simple event to bid good-bye to the Senior Batches, but a medium to show how much we love them and how whole-heartedly we wish them the best life and careers. The moments of emotions barge in at times, but the party theme and the lively programs make sure that everyone enjoys a lot. Along with the celebration, several students are felicitated with awards for their excellent performances in academics and co-curricular activities. At the end, each student is given a memento which they cherish forever.

SHIKHAR-2014 (20-22nd January)

Shikhar is BVIMSR's annual inter-collegiate festival where students from around Maharashtra participate and make it a huge success year after

year. This year's event was inaugurated in the presence of the legendary Indian Actor who played the Indian superhero – Shaktiman or the famous Pitamah Bhishma, Mr. Mukesh Khanna.

Various events like Mock-stock, Case-study competition, Ad-Mad show, Grab-a-Snap, Debate and sports like Box Cricket, Volley ball, Chess and carrom were organized. Also, a pep-talk by writer Ketan Bhagat was organized to enlighten our students on must haves of the corporate life abroad.

Students from around 79 institutes participated in this fest and made it a huge success. All the winners of various events were felicitated by Mr. Fatehsingh Patil, Commissioner of Police - Navi Mumbai, who made the students aware about their social responsibilities also.

The 25th ASSOCIATION OF INDIAN MANAGEMENT SCHOOLS CONVENTION

The AIMS Convention is one of the pilot events organized at BVIMSR Campus. Delegates from the B-schools and industry attend the convention. The 25th AIMS Convention's theme was Envisioning management education. Mumbai University's Vice Chancellor spoke as the chief guest while Dr. Liu Youfa emphasized on the Indo-china relations covering the economic, cultural and educational aspects. Mr. Rangnekar shared his concerns about the employability factor of the Indian B-school Graduates. Varied topics encompassing the quality of education, impact of digital technology in knowledge propagation and the online medium of education MOOCS were discussed over the two days of Convention.

A close-up photograph of a dolphin's head and upper body, oriented horizontally. The dolphin has a dark grey/black dorsal side transitioning to a bright white belly. Its mouth is slightly open, and it appears to be moving through water, creating white bubbles and ripples around its body. The background is a warm, golden-yellow color.

**Effective listening renders
clear communication, the base
of management success.**

Excellence is a continuous process and not an accident.

-APJ Abdul Kalam

Swifter decisions, strong individual skills, graceful moves and responsibility-shouldering take the team a long way.
